Bye-bye, everybody! Let's all play again tomorrow, okay?
chief
C'mon, Flippy! Let's Go!!!
Thanks, Guys... ...but I can't.
Why not?
I think I'm needed elsewhere.

Where, Flippy?
Well, there are twenty-one baby tadpoles in that swamp back there...
... and I'll bet they're feeling pretty lonely and afraid all by themselves.
I remember how that felt.
So I was thinking...

...maybe they could use a friend.
You were so good to me when I was in fish jail, L.P.
You made comics for me every day!
You inspired me! You kept me going!
Now it's my turn to DO GOOD!
Hey! I wanna do good, too!!!

Well you can help me if ya want!
okay!
And you guys can visit us at the swamp anytime!!!
Yeah! You still have to teach me how to make comics!
I will!
Maybe you can teach all twenty-two of us!
Okay!
Well, let's go, kiddo!
Bye, Li'l Petey!
Bye, old guy!
