Mind if I join you, traveler?

I don’t know where I’m going.

That’s okay.

Sometimes it takes getting a little lost to recognize a path.

Wait! Stop!
I know this house.

Strange... it wasn't here a while ago when I walked this way.

We must approach with caution.

KRRK!!

Oh no... a mother elf and her son.

They're starved and frozen.
SHH.

The boy's alive!

Hey! Are you--

Oh. Oh my goodness. You're me.

That means-- she is-- she's--

Mother. Wake up, mother.

Mother?
Now I know why the King had Gabilan steal this memory. He wanted me to forget.

Are you angry?

No, but I have no memory of her, and I wish that I did.

Stonekeeper—

I am sure you will find some to cherish.

You have spent enough time in this lost memory. I suggest you return to your friends.

I get the feeling you are not a part of this memory, but a traveler like me. Will I see you again?
SOONER THAN YOU EXPECT.

NOW, HOLD ON TIGHT.

SHK!
Trellis,
the Elf army has made landfall.
THE CITY OF IPPO, IN THE NATION OF LUFEN
HERE THEY COME.

THE ELF KING'S TROOPS ARE MAKING THEIR WAY THROUGH THE FOREST.
Balan and I have prepared a triage center to care for the wounded.

Unfortunately, we are short on medical staff.

Then let's hope we won't need any.

Prince Trellis will face them. We shall see how he intends to diffuse the situation.

He is an elf, after all. So am I, Doc.

Oh, right! But you're not related to the elf king!

However, my family had quite a few traits that I hope I did not inherit.

Can we trust him?

No.

Well, I suppose we can use all the help we can get!

Hey Doc, speaking of help, let's round up some more volunteers.

Riva!
Riva, we see soldiers leaving their posts. They are concerned.

Concerned?

But we have forces on the ground to meet the elf army. You only need to protect what's inside the walls!

It's not that, Riva. It's our families.

The council has ordered all children and their mothers be evacuated.

We want to go with them.

They're using the Charnon House. Patrick, stop them from leaving the city.

We will see to it that your families stay here and remain safe.

Thank you.

Got it.
THEN WE NEED TO GET WEAPONS!

NO! WE LET THE STONEKEEPERS TAKE CARE OF THE THREAT--

WHILE WE FOCUS ON KEEPING THE CITY CALM.

THAT'S WHAT WE'RE TRYING TO DO!

PATRICK!
WHAT IS GOING ON OUT THERE? THE SOLDIERS WANT US TO EVACUATE!

THE ELF ARMY IS ON THEIR WAY!

BUT ALL THE FAMILIES ARE LOOKING TO GET OUT OF HERE!

IT'S A MADHOUSE!

PATRICK, WHERE ARE YOU GOING?!

TO CONVINCE THEM THAT THEY ARE SAFER IN THE CITY!
