BUILD IT!
Check out the epic building ideas when you see me.

Come find out all about sharks.
Sharks are super fish! Their streamlined bodies make them super fast, and they are super hunters.

Shark's have been on Earth for 420 million years. They came before dinosaurs! Sharks rarely hurt people. They're awesome!
Let’s go meet some sharks!

The smallest sharks are about as long as an adult’s hand. The biggest are as long as a bus!

There are 500 different types of sharks.

BUILD IT!
Build a boat to go shark spotting.
A shortfin mako shark moves its tail from side to side to push through the water. It’s the fastest shark in the world.
Splash! It swims at 60 miles per hour (96 km/h).

BUILD IT!
Build an underwater lab. Now your scientist minifigures can study speedy makos.

Makos can also leap right out of the water. Gulp . . .
