MEET LAYLA AND THE BOTS

This is Layla. She is an inventor. And a rock star.

These are the Bots.

They are part of Layla's crew.

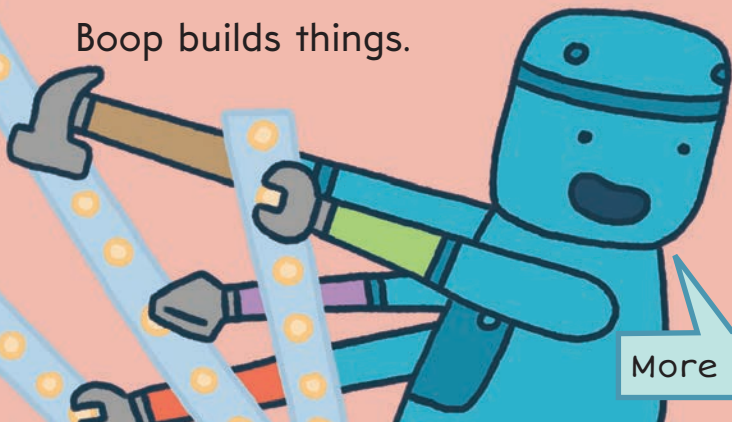

Beep knows things.

BEEP.

Light travels faster than anything else in this world!

Boop builds things.

More lights?

Bop codes things.

```
on [POSE] -> lights!  
lights {brightness = 100;  
color = rainbow_dazzle;  
pattern = Super +  
duration = 240 seconds;}
```

Ready-yah!

Layla and the Bots live in an ordinary town called Blossom Valley.

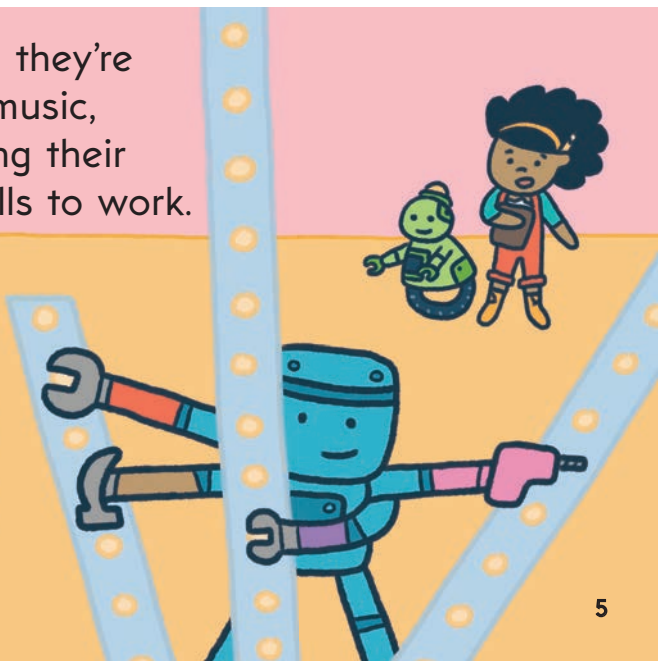

But ever since Layla built her Bots, her life is anything but ordinary.

You see, Layla and the Bots are famous!
They play awesome rock music together
and perform in all sorts of cool places.

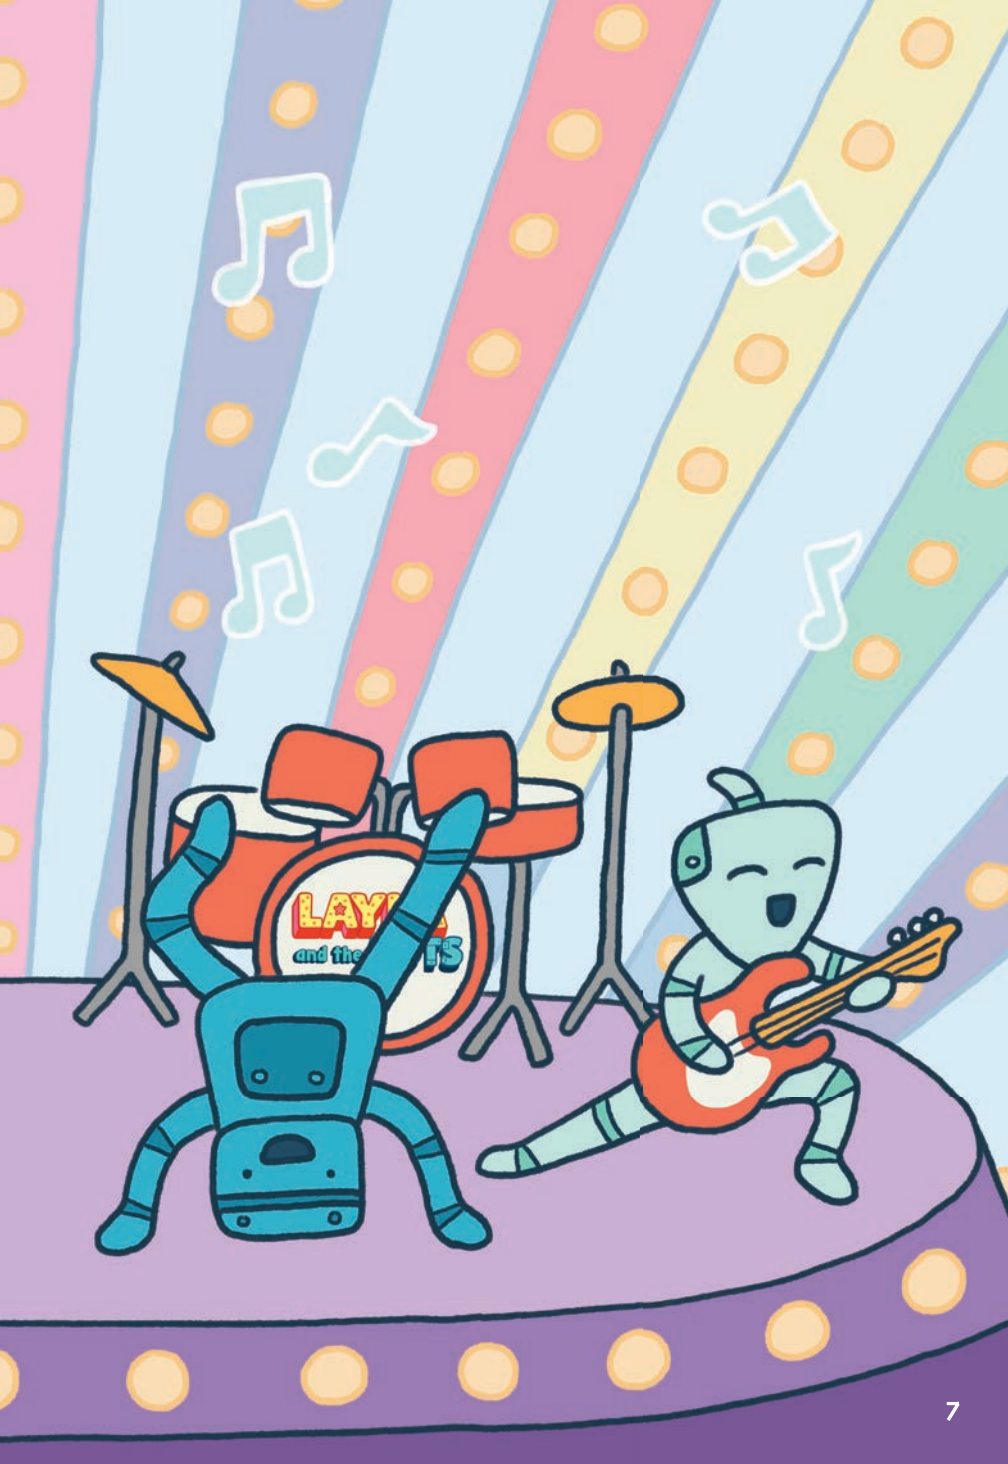

And when they're
not playing music,
they're putting their
invention skills to work.

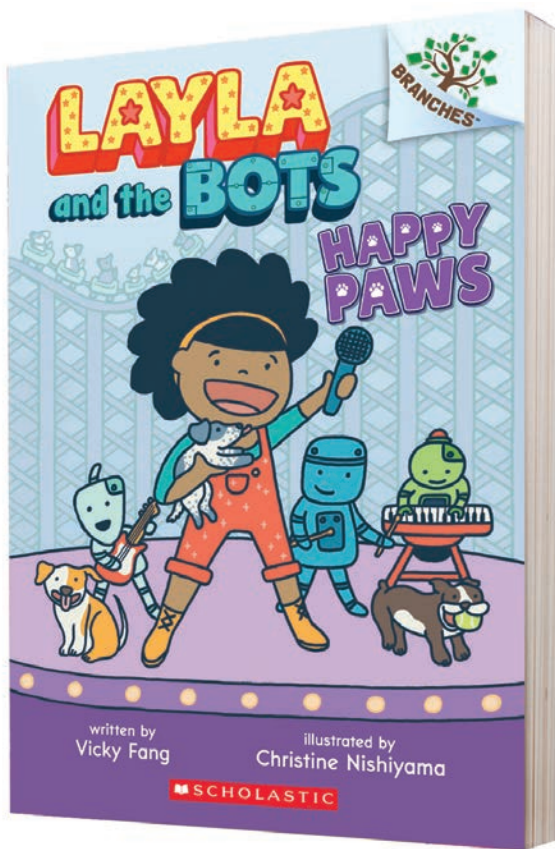

Whenever Layla and the Bots get together, awesome things happen.
