

3. Tape the **band** to the big **square** by lining up the letters and the tabs.

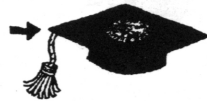

4. Cut the black lines as shown below to create fringe for your tassel. Now roll the tassel to join the two "F" tabs together. Tape it to create a small loop.

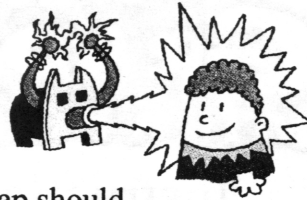

(Don't cut past the gray line)

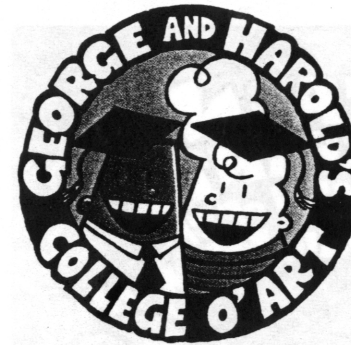

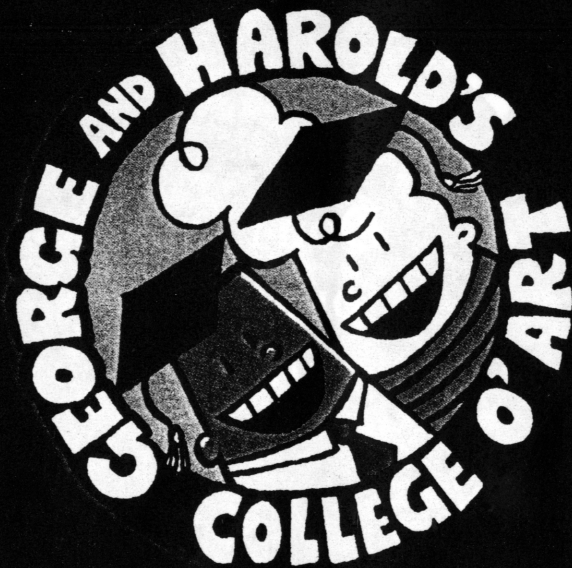

5. Tape your tassel to the "E" tab on the bottom of the cap as shown.

6. Use a "Shrinky-Pig 2000" (not included) to shrink your head to the size of a grapefruit.

7. Now your cap should fit just fine. Be prepared to look COOL!

CONGRATULATIONS!

YOU'RE A COLLEGE GRADUATE!

Dear College Graduate,

Congratulations on the great honor of graduating from **George and Harold's College O' Art**.

Enclosed you will find your P.H.D. (Pilkey Honorary Diploma), a cool make-it-yourself graduation cap with real artificial tassels, a membership card, and fun instructions on how to annoy people with your impressive new credentials.

In the past, people have had to spend thousands of dollars and years of hard study to get their P.H.D.'s. Won't they be jealous when they see that you got yours for free? And you only had to take one test! Boy, won't *they* feel dumb!

From now on, please feel free to write the letters "P.H.D." after you sign your name. Of course, you won't be a *real* doctor, just a fake one like radio talk show hosts, people with doctorate degrees, and dentists.

Don't forget to sign and laminate the membership card at the right, and keep it with you at all times (even in the bathtub). Because you just never know when your wonderful new qualifications might come in handy!

Your pal,

 P.H.D.

Dav Pilkey, P.H.D.
