GEORGE & HAROLD'S HYPNO-SPINNER

What you'll need: Cardboard (e.g., a cereal box), scissors, glue, markers, 20-inch piece of string or twine

What to do: Gather your supplies and follow the instructions below to make your own colorful spinner!

Instructions:

1. Color in the two circle templates on the following page. Try patterns, swirls, or whatever you want. The more colors you use, the better the results.

2. Cut out the circles and use one as a guide to create a matching circle out of cardboard.

3. Glue one paper circle to each side of your cardboard circle.

4. After the glue has dried, poke two holes near the center of your spinner.

5. Thread the string through the holes and tie together. See the diagram below.

How to play: Keeping the spinner in the middle, hold one end of the string with one hand and the opposite end of the string with the other hand. Spin it quickly around and around until the string is twisted together. Then, pull and release until the spinner rotates and makes a buzzing sound.
