BARK TO SCHOOL EPIC WORD GAME
WHAT'S THE WORD?

What you'll need: A pencil and two copies of this activity sheet (one for your opponent and one for yourself)

How to play: Each person chooses a secret 5-letter word and writes it down in the space at the top of their paper. Make sure to keep your word secret! Take turns guessing each other's secret words. To begin the game, write down your word guess in the space provided and say it aloud. If your word guess is right—you win! If your guess is wrong, your opponent tells you if any letters in your word guess are correct. Be sure to use the letters you got right in your next guess. The first one to guess an opponent's secret word wins!

CAPTAIN UNDERPANTS' EPIC WORD GAME
COLOR DETECTIVE

Can you guess your opponent's mystery character before they guess yours?

How to play: This is a two-player game. Cut out all the character cards below and on the next page. Place them face down in a stack. Then, follow the rules below.

Rules:

1. To start, each player selects a card, keeping it hidden from the other player.
2. Take turns asking "yes" or "no" questions about your opponent's character. For example, "Does your character have orange fur?"
3. Keep taking turns asking questions until a player is able to guess who is on the opponent's mystery card.
4. The player who guesses correctly first wins that round. Keep playing until all the cards from the stack are used. The player with the most winning rounds wins the game!
