

THE LARS SOCIETY

MEET THE CHARACTERS

JACK HUNT

"I come from a long line of liars. My family, the Hunts, founded the oldest and most powerful secret society in the world, Last Heir. Rearrange the letters, and you get the liars."

WEATHERBY WALKER

"I'm an insider at the Boston School. An heiress. A news story. That's why they're all looking at me. I force myself to smile, trying to appear grateful and happy to be here and to be a Hunt, because I am. It's better if no one suspects I'm also terrified of my new family."

IRIS ROSENBERG-KIM

"I'm not doing something I know is wrong. I'm never doing that again."

PRESCOTT FLORES

"So, I'm all about no secrets among friends . . . But to be honest, I also want a gold key and Last Heir status for life."

HARPER JAMES

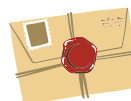

"I don't want to be enemies . . . You all had my back when I didn't deserve it. You saved my dad . . . I have your backs for life."

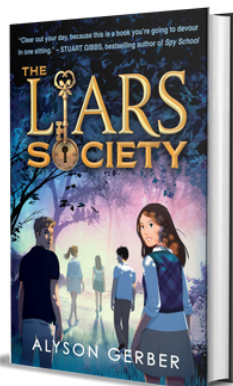

TEDDIE COVINGTON

"You promised not to lie. You said we'd be best friends who told each other the truth."

FORD HUNT

"We should have stuck a weight in their boat . . .
A win is a win. And we should have won."
