

BINNY'S DIWALI

Streamer Craft Activity

To celebrate Diwali, Binny and her classmates decorate their classroom with diya streamers. Diyas are small oil lamps that are placed at the front door to guide good luck into the home. Here's how to make your own diya streamers!

Supplies Needed:

Crayons or markers

Scissors

String

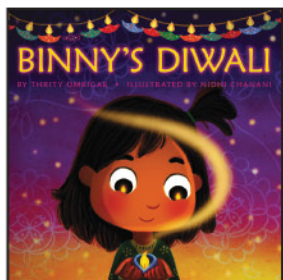

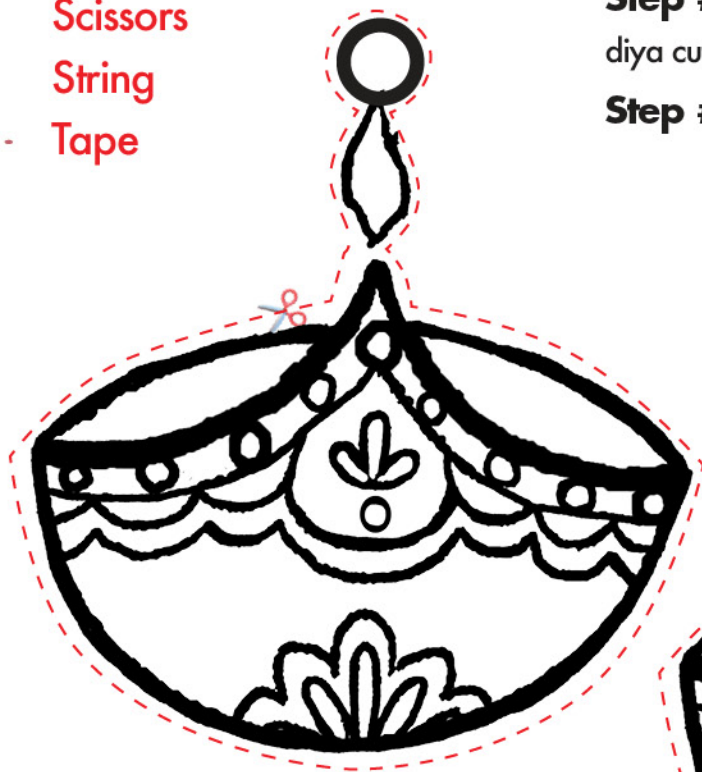

Tape

Directions:

Step #1: Color in and cut out the diyas.

Step #2: Poke a hole through the circle at the top of each diya cutout and thread on string.

Step #3: Hang to display, using tape to secure in place.
