# Weather

Trace the weather words, and then circle the word that best describes today's weather.

sunny

rainy

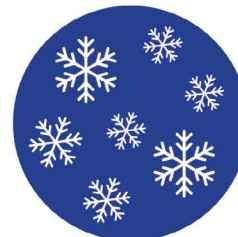

windy

stormy

snowy

**Simple STEM:**

Pin this page on a wall. Each day discuss the weather and point to the picture that best describes it.

Enjoy more activities like these in *Big Book of Science* from Scholastic Early Learners!

# Tips for Parents and Caregivers

- ★ Plan short, regular sessions, doing one or two pages at a time.
- ★ Start with the stickers! They're fun and help improve hand-eye coordination.
- ★ Build confidence by making sure your child knows what to do before starting.
- ★ Encourage your child to assess their efforts in a positive way. For example, say, "You've written some great letters there. Which one is the best?"
- ★ Plan regular early-morning sessions, before your child becomes too busy or tired.
- ★ Relate the learning to your child's own world to increase understanding.
- ★ To boost motivation, consider using reward stickers or offering a larger reward for completing the book.
