

THE BABY FROG SQUAD IS BACK!

They are ready to battle the evil bully from space!

Did you know Dav Pilkey used salt shaker tops to make the Baby Frog Squad space cars? Their mouths are made of rice clay, and he used googly eyes and toy brick wheels to complete the vehicles!

Here is a look at the characters in the Baby Frog Squad mini-comics, which are part of both Cat Kid Comic Club books. The cardboard space bully and the baby frogs are getting ready for their next scene!

See the story unfold on November 30!
