## DOG MAN'S SCAVENGER HUNT PICTURE IN A PICTURE

**What you'll need:** A pencil, your Dav Pilkey books, a timer

**How to play:** Pick a page in any book and find one picture or one panel. Write down everything you see in that picture or panel. Now go on a hunt to find those things in other books. Want a bigger challenge? Set a timer for five minutes and race the clock!

### SUPA BUDDY CHALLENGE:

Team up with a friend to try to beat the clock or race each other!

## CAT KID'S CREATIVITY CHALLENGE PICTURE IT!

**What you'll need:** A camera or smartphone with a camera function, paper or poster board, scissors, glue or tape

**What to do:** Grab a camera or smartphone and have your very own photo shoot! First, choose your subject matter. It can be a person, thing, place, or whatever interests you. Now get creative! Take photos at different times of the day, at interesting angles, with fun props, or using special lights and shadows. When you're done, pick your favorite photos (some candid and some posed\*), then print and cut them out. Now, layer them onto poster board or paper to create a collage.

\* Candid = a photo without a pose or a plan  
Posed = a photo that is taken after being set up

## CAPTAIN UNDERPANTS' EPIC WORD GAME A PICTURE SAYS A THOUSAND WORDS

**What you'll need:** A printout of your Cat Kid's Creativity Challenge photos, scissors, tape, a bowl or hat

**What to do:** It's fun to add captions to your photos. Follow the steps below to try it out!

1. Select one of your photos from Cat Kid's Creativity Challenge and print it out.
2. Cut out the words below and put them in a bowl or other small container.
3. Without looking, pick three words from the container. Ask a friend to pick three words, too. Challenge each other to see who can write the best caption using the chosen words. Even better, work together to combine all six words to create a mecha-fun caption!

### CAPTIONS

supa	jumps	because

## 80-HD'S FUN WITH PAPER PHOTO FRAMES

Follow the steps below to make your own Dog Man & Friends picture frame. Then, add your favorite photo or artwork!

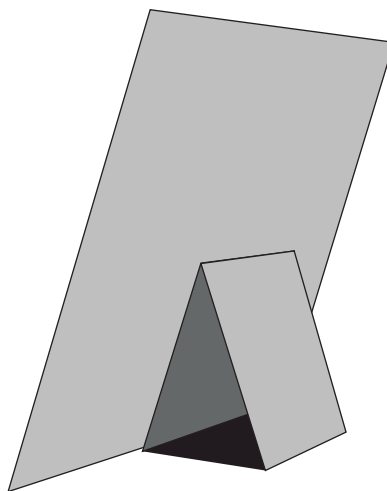

**What you'll need:** Crayons or markers, cardboard, scissors, glue, plus crafting supplies like beads, pipe cleaners, and ribbon

### To make the frame:

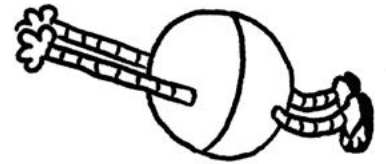

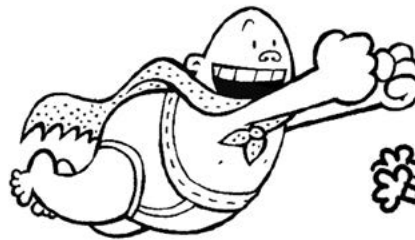

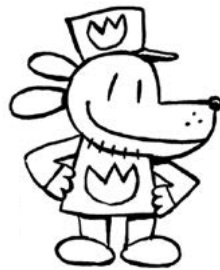

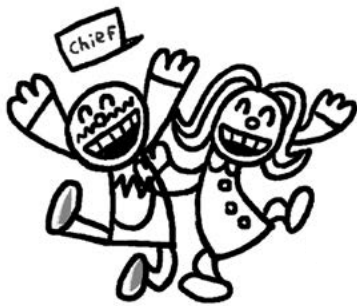

1. Color in and cut out the frame template on the following page.
2. Choose a few characters from the Dog Man & Friends art on the following page to cut out and glue to your frame.
3. Add additional decorations to your frame by gluing on beads or any other crafting materials.

### To make the backer:

1. Use the paper frame template as a guide to cut a matching backer piece out of cardboard.
2. Glue your photo or artwork to the cardboard backer.
3. Apply a thin bead of glue to each front corner of your photo or artwork to secure your paper frame.
4. To stand your frame up, cut a 1" x 10" piece of cardboard, fold into a triangular shape, and tape at the base of the back of your frame.
